Yale's  
La Freckla

is Mme. Yale's infallible cure of Freckles, Tan and Sunburn. It is the only remedy ever compounded that will remove freckles completely and surely.

The fairer and more delicate the skin, the more likely it is to freckle and the worse it will look after it is freckled.

Thousands of women, otherwise beautiful, are disfigured by these unsightly, brown blotches. Nothing will hide them. They are a source of misery, but they can be cured. La Freckla is the death-warrant to freckles.

The preparation of La Freckla is one of Mme. Yale's greatest achievements. There are many imitations, some of them very dangerous and hurtful to the skin; none of them really effective. For safety and certainty, insist always on getting the genuine and original La Freckla.

We claim every advantage for these lots; they are on the car line, they have city water, they have fine shade trees; the finest residence portion of the city is located around Punahou College, and the magnificent view can never be shut out by other buildings; the elevation is high and entirely suitable for residence purposes. The lots are 75 ft front and 125 ft deep, and the terms can be had on application.
